**Junior Academy**

Tennis Everyone is Dean and Tanya Porcellato and was started by Dean in 1997! Dean and Tanya have over 30 years of tennis coaching experience. They have worked with and developed all ages and levels of players, from beginner to tournament level high performance juniors. Many of the juniors that have trained with them consistently over long periods of time have competed in high level tournament play or have gone on to be tennis instructors themselves. Dean and Tanya also both hold Ontario teaching degrees and were instrumental in spearheading the development of the progressive tennis model in Mississauga with Tennis Canada. They are your coaches for the Tennis Everyone Junior Academy Program and look forward to working with all of your junior players!

## Adult Leagues

**Do you find it difficult to set up your own tennis games, find reliable partners the right level, or find a league that is professionally run with a structured format? If so, then we have the league options for you!!**

### **Adult Sunday Night Doubles League – 7:00 pm to 10:00 pm**

This format accommodates a wide range of levels from 2.0 to 5.0. Players of similar level play together and against each other regardless of gender. Players register individually, are rated, and teams will be formed. **Matches are 1.5 hours in length.** Players will be scheduled for 4 out of every 5 week block and are on bye once each block acting as substitute players as required. This is a very structured league, players will have a league package with their schedule for the whole season. **Player's playing times alternate as evenly as possible to be fair to all with regards to playing in the early versus late time slots of 7:00 to 8:30 pm and 8:30 to 10:00 pm.** New tennis balls are supplied for each 3 hours of play every Sunday.

Any combination is allowed, men's, ladies, or mixed. If you cannot find a partner, we will try to pair you up with another player in the same situation. **Matches are 1.5 hours in length.** Your team will play each of the other teams during the first 10 weeks followed by playoffs and organized match play for the last 2 weeks.
