

## Junior Tennis Camps (Ages 4 to 16, all levels)

Tennis Everyone has provided high quality camps for over 15 years. Unlike other camps, juniors play tennis for the entire morning. The coaches are all highly trained and experienced. Students are grouped by age and ability.

Our 4-6 year olds specialized tennis camp, Kids Tennis, is offered at the Oakridge and Springfield Tennis Clubs only. Other levels and age groups run at the same time on other courts.
